i Prices: as of June 2016
Data: as of today

• **How to order**

Please tick the databases you wish to order and send us this order form by **fax** or **e-mail!** (info@hospimed.net)

• **How our hospital data is composed**

- complete, **personalised addresses**, each with name of head of department
- **phone** and **fax** numbers, very often including extensions
- **accuracy of data** ensured by intense and constant research

• **How you can use our data:**

- send customised and **personalised mailings**
- **multiple use** at no extra-cost
- **update** data in your database and for your **field sales force**
- print and export data

• **Format:**

Excel® files

• **How you can select:**

- by postcode
- by town name
- by state / province
- by number of beds
- by contact name
- by area dialling code
- by type of hospital
- by type of administration / ownership (private etc.)
- by private hospital company or corporation (Asklepios, Helios, Rhön, Sana, etc.)
- by Catholic, Protestant, Red Cross hospital etc.
